

HAMILTON COUNTY BOARD OF COMMISSIONERS
NOVEMBER 8, 2004

The Hamilton County Board of Commissioners met on Monday, November 8, 2004 in the Commissioners Courtroom in the Hamilton County Government and Judicial Center, One Hamilton County Square, Noblesville, Indiana. They commissioners met in Executive Session in Conference Room 1A from 1:15 pm - 2:00 pm. President Dillinger called the public meeting to order and declared a quorum present of Commissioner Christine Altman, Commissioner Steven C. Dillinger and Commissioner Steven A. Holt. The Pledge of Allegiance was recited.

Executive Session Memorandum

Altman motioned to approve the November 8, 2004 Executive Session Memoranda. Holt seconded. Motion carried unanimously.

Approval of Minutes

Holt motioned to approve the October 20, 2004 and October 25, 2004 minutes. Altman seconded. Motion carried unanimously. Holt abstained on the motion for approval of the October 25, 2004 minutes.

Bid Opening [2:07:03]

Bridge #242 - Gabion Installation

Mr. Michael Howard opened the bids for the Gabion installation on Bridge #242, Springstone Road over Bee Camp Creek in Fall Creek Township. Form 96, Bid Bond, Non-Collusion Affidavit and Financial Statements were included unless otherwise specified. 1) Beaty Construction - \$54,571.14. 2) Duncan Robertson - \$124,000.00. 3) Yardberry Landscape Excavating - \$49,450.00. 4) Hunt Paving - \$76,400.00. Howard recommended the bids be forwarded to the highway department for review and recommendation later today. Altman motioned to approve. Holt seconded. Motion carried unanimously.

Small Structure 23066, Bridge #128

Howard opened the bids for replacement of Small Structure 23066, Bridge #128, Victory Chapel Road over Mussleman Ditch. Form 96, Non-Collusion Affidavit, Bid Bond, Financial Statement and Acknowledgment of Addendum were received unless otherwise specified. 1) Crider & Crider - \$314,803.70. 2) Duncan Robertson, Inc. - \$272,883.00. 3) Beaty Construction - \$281,717.05. 4) Hunt Paving - \$306,177.50. Howard recommended the bids be forwarded to the highway department for review and recommendation at the next meeting. Altman motioned to approve. Holt seconded. Motion carried unanimously.

Highway Business [2:13:51]

Open Road Cut Permits

Mr. Jim Neal requested approval of Open Road Cut Permits: 1) RDCUT2004-030 - Veolia Water Indianapolis, LLC on Hazel Dell Road approximately 50' north of centerline of 169th Street for water main installation. 2) RDCUT2004-029 - Veolia Water Indianapolis, LLC in Mill Creek Road from approximately 120' south of centerline to 171st Street for water main installation. 3) RDCUT2004-028 - Veolia Water Indianapolis, LLC in westbound lane of 171st Street from 1000' west of centerline on Willow View to 1600 W. East Willow View for installation of a water main. 4) RDCUT2004-034 - Precedent Residential Development LLC on 169th Street approximately 1200' west of Hazel Dell Road for installation of sanitary sewer main. 5) RDCUT2004-033 - Veolia Water Indianapolis, LLC on 169th Street and Hazell Dell Road for laying of 16" pipe for water main extension to fire department. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Acceptance of Bonds/Letters of Credit - Highway Department

Neal requested acceptance of Bonds and Letters of Credit for the highway department. 1) HCHD #B-90-0015 - Safeco Insurance Company Annual Permit Bond #5391333 on behalf of Indiana Bell Telephone Company dba SBC in the sum of \$25,000 to expire when canceled. 2) HCHD #B-94-0105 - Fidelity and Deposit Company Continuation Certificate Bond No. 30638568 issued on behalf of Poindexter Excavating, Inc. in the sum of \$25,000 to expire September 23, 2005. 3) HCHD #B-94-0099 - Safeco Insurance Company Maintenance Bond No. 6236121-1 issued on behalf of Centex Homes in the sum of \$8,312.02 for stone base, HAC binder, surface and curb improvements at Intracoastal at Geist 2A to expire October 11, 2007. 4) HCHD #B-04-0100 - Safeco Insurance Company Maintenance Bond NO. 6236226-1 issued on behalf of Centex Homes in the sum of \$4,455.06 for stone base, HAC binder, surface and curb improvements at Intracoastal at Geist 3A to expire October 11, 2007. 5) HCHD #B-04-0101 - Hartford Fire Insurance Company Maintenance Bond No. 46BSBDC1599 issued on behalf of Centex Homes in the sum of \$6,580387 for stone base, HAC binder, surface and curb improvements at Intracoastal at Geist 2B to expire October 11, 2007. 6) HCHD #B-04-0102 - Hartford Fire Insurance Company Maintenance Bond No. 46BSBDC1600 issued on behalf of Centex Homes in the sum of \$8,907.42 for stone base, HAC binder, surface and curb improvements at Intracoastal at Geist 4A to expire October 11, 2007. 7) HCHD #B-04-0103 - Fidelity and Deposit Company Annual Permit Bond issued on behalf of Citizens Gas & Coke Utility in the sum of \$25,000 to expire September 22, 2005. 8) HCHD #B-04-0104 - Bond Safeguard Insurance Company Bond No. 5013397 issued on behalf of Precedent Residential Development in the sum of \$10,000 for an open cut on 169th Street approximately 1,200' west of Hazel Dell Road for installation of offsite sanitary sewer main for Slater Farms Subdivision, to expire November 8, 2005. 9) HCHD #B-04-0105 - Fidelity and Deposit Company Payment Bond No. 8705239 issued on behalf of Calumet Asphalt Paving Co., Inc. in the sum of \$101,000.00 for Patching Contract 04-16 to expire October 28, 2006. 10) HCHD #B-04-0106 - Fidelity and Deposit Company Performance Bond No. 8705239 issued on behalf of Calumet Asphalt Paving Co., Inc. in the sum of \$101,000.00 for Patching Contract 04-16 to expire October 28, 2006. 11) HCHD #B-04-0107 - Pekin Insurance Company Permit Bond No. 44175 issued on behalf of Stephen Musselman in the sum of \$5,000 as a contractor to expire October 26, 2005. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Release of Bonds/Letters of Credit - Highway Department

Neal requested release of Bonds and Letters of Credit for the highway department. 1) HCHD #B-03-0105 - Safeco Insurance Company Subdivision Bond #6236121 issued on behalf of Centex Homes in the sum of \$41,572.53 for The Intracoastal at Geist, Section 2A for stone base, HAC binder and surface, curbs and street signs. 2) HCHD #B-03-0125 - Safeco Insurance Company Subdivision Bond #6236225 issued on behalf of Centex Homes in the sum of \$21,013.95 for The Intracoastal at Geist, Section 3A for stone base, HAC binder and surface, curbs and streets. 3) HCHD #B-04-0007 - Arch Insurance Company Subdivision Bond #SU 5005345 issued on behalf of Centex Homes in the sum of \$46,517 for The Intracoastal at Geist, Section 4A for stone base, HAC binder, surface, concrete curbs, street names and regulatory signs. 4) HCHD #B-04-0008 - Arch Insurance Company Subdivision Bond #SU 5005341 issued on behalf of Centex Homes in the sum of \$34,576 for The Intracoastal at Geist, Section 2B for stone base, HAC binder and surface, concrete curbs, street names and regulatory signs. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Agreements/Supplements [2:15:29]

Subdivision Inspection Agreements

HAMILTON COUNTY BOARD OF COMMISSIONERS
NOVEMBER 8, 2004

Maple Knoll Subdivision, Section 1

Neal requested approval of Subdivision Inspection Agreement, HCHD #A-04-0016, with Platinum Properties, LLC (developer) and DLZ Corporation (engineer) for Maple Knoll Subdivision, Section 1. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Cass Estates Subdivision

Neal requested approval of Subdivision Inspection Agreement, HCHD #A-04-0017, with Dura Builders (developer) and USI Consultants (engineer) for Cass Estates Subdivision. Altman motioned to approve. Holt seconded. Motion carried unanimously.

Bridge #2, Jerkwater Road over Pearce Creek

Neal requested approval of Engineering Agreement, HCHD#E-04-0010, for replacement of Bridge #2, Jerkwater Road over Pearce Creek with USI Consultants, Inc. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Bridge #8, 281st Street over Pearce Creek

Neal requested approval of Engineering Agreement, HCHD #E-04-0011, for replacement of Bridge #8, 281st Street over Pearce Creek with USI Consultants, Inc. Altman motioned to approve. Holt seconded. Motion carried unanimously.

Bridge #9, 276th Street over Pearce Creek

Neal requested approval of Engineering Agreement, HCHD #E-04-0012, for replacement of Bridge #9, 276th Street over Pearce Creek with USI Consultants, Inc. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Zionsville Request Letter

Mr. Brad Davis stated the commissioners will be receiving a letter from Zionsville officials. Zionsville has a project to improve 106th Street in to Hamilton County and they are asking for our cooperation. They will extend 400' in to the county.

2005 Highway/Commissioner Meeting Dates

Davis requested approval of the 2005 Highway/Commissioner meeting dates. Altman motioned to adopt. No second. Dillinger asked to table this item until they can check their calendars.

Fall Creek over Geist Bridge INDOT Interlocal Agreement

Davis stated approximately one year ago the county met with INDOT regarding the Fall Creek bridge over Geist bridge where we did some innovative financing. We fronted additional monies to INDOT. INDOT has paid us back. The money has gone in to the major bridge fund.

Highway/ Commissioner Meeting

Davis reminded the commissioners of the highway meeting to be held Friday, November 19, 2004 at 7:30 a.m. The main agenda item is the bridges and bridge funds.

Davis extended an invitation to the commissioners to the Milestone Appreciation Luncheon on November 19th at the 4-H Fairgrounds.

Snow Removal Agreement for Private Contractors

Davis presented a draft rental/lease agreement regarding hiring private contractors for snow removal. Davis will distribute to the commissioners and Mike Howard.

Traffic Count Maps

Revised traffic county maps have been distributed to the commissioners and council.

211th Street

Holt stated on 211th Street from Hague Road west is unstriped. Part of it is the county's jurisdiction and part is Noblesville's jurisdiction. Holt stated there is a huge bend heading west towards North Harbour and it has been requested the county look at that to see if it appropriate to suggest to Noblesville an interlocal agreement where one or the other entity would stripe the road.

Snow Advisories

Altman stated she and Brad Davis have met regarding the snow advisories. We need to work on a current county ordinance that is geared to road closures. They are working on the ordinance language for review and approval in the near future.

Commissioner Committee Reports [2:25:11]

Citizens for Better Neighborhoods

Altman stated she has spoken with a representative of the Citizens for Better Neighborhoods regarding their concerns on how the county handles wounded animals and wildlife. This citizen also requested that the commissioner's meetings be televised. Altman stated she indicated to the citizen that she should appear before the commissioners to make the request.

Humane Society [2:25:44]

Altman stated the Auditor's office produced an update on Humane Society billing sent by the county. Noblesville has not signed the new contract that defines strays. Noblesville has not paid for strays that they do not feel are certified strays. This puts a huge load on the county general fund. Altman requested Dillinger talk to Mayor Ditslear and find out what the issue is. The only recourse is to suggest that Noblesville's strays will not come in or have Noblesville have a direct contract with the Humane Society so the county is not billing and absorbing those costs. Howard stated one of the issues was that the per animal charge increased. Howard suggested a commissioner meet with Mayor Ditslear and the Clerk-Treasurer to work it out. Altman stated Noblesville will not pay for animal brought in by people other than the Noblesville Animal Control Officers. If strays are brought in by citizens of Noblesville, they are not paid for by Noblesville. Holt will meet with the Mayor.

EMS

Altman stated the EMS Committee will be recommending to the council and commissioners that our current mode of delivery of advanced life support systems, paramedic program, be looked at and revised. We have Noblesville, Carmel and Fishers delivering that service independent of the county and receiving a supplement from the county. Westfield will be providing their own service in the near future. That leaves three paramedics from an area that probably not generate sufficient run revenue to offset costs. The committee has been meeting with Riverview and we will put together an RFP requesting all the area fire departments look at providing services through their current or future paramedic program with cross-training paramedics and firefighters. Riverview has encouraged this change. Riverview funds the first \$250,000 and the county pays the difference. The program is partially funded with run revenue and if you are in a highly populated area, as the county has progressed from the south to the north with it's

HAMILTON COUNTY BOARD OF COMMISSIONERS
NOVEMBER 8, 2004

population base, they have a significant increase in runs for ambulance and ALS Service. When we get to the north end of the county it is less populated, less runs, hence less run revenue but it is a standby service. We have to have a paramedic within a reasonable distance of the area to respond. We have been doing it with straight paramedics through Riverview and if we move to support a firefighter cross-trained paramedic, there is reduced personnel costs in terms of overtime and scheduling. If Carmel, Westfield and Noblesville have it in place, they have a trained staff and they can rotate them and schedule and do it in a less expensive manner than the hospital. The hospital is willing to continue to supplement the \$250,000, council is looking at what the total cost is to run independently to see if we can provide the same service at a lesser costs. Holt asked what is making it worse now than it was for the three paramedics? Altman stated before we had four paramedics including Westfield's jurisdiction. Westfield is about to go independent. These are the three utilized paramedics due to the population base. Holt stated for example, White River Township, he did not think there were any full time paramedics. Altman stated initially we shared a paramedic between White River and Wayne Townships and located in Wayne Township. White River has contracted with the Town of Cicero and asked dispatch to send their runs over to Cicero. At that point White River did not have a facility to house a paramedic. Holt stated by response time the Cicero person could get there quicker. Altman stated that is fine. It is a revenue issue. Holt asked if the Wayne person was just covering Wayne Township? Altman stated occasionally the cover Nobleville and if there was a big accident they would be called in. They are not getting the same numbers of runs and experience and Riverview had not been rotating them through their system, so this person was not getting the same experience. Howard stated Noblesville's policy is that every firefighter is also a trained paramedic. Altman stated the committee will put out a RFP that will be given to every entity that provides fire service to see if they are interested in running these three positions and to see what it will cost. County costs may go to \$800,000.00.

Ozone Seminar

Altman stated she will be attending an environmental seminar on the ozone issues, which will interfere with the State of the County in Fishers.

Sheriff

Jail Overcrowding

Sheriff Doug Carter stated the commissioners were given a packet of information on the jail overcrowding issue and he will be coming to the commissioners with recommendations in the near future. Dillinger asked if a taskforce meeting still needs to be called? Carter stated yes.

Radio Towers

Carter stated the radio issue seems to be working itself out. We will continue to have problems with lighting strikes which are beyond our control. There were some training issues that were not resolved, but since have been.

Accidents

Carter stated we have had one accident in the last 30 days. Jeff Rushforth has helped us work through the process.

Attorney [2:38:50-]

Juvenile Detention Center

Howard stated he has two contracts for the Juvenile Detention Center project. 1) Teton Corporation for the landscaping in the amount of \$129,700.00. 2) Midwest Maintenance & Construction, Inc. for the fuel station in the amount of \$147,705.00. Holt motioned to approve and authorize the President to sign the contracts. Altman seconded. Motion carried unanimously.

Administrative Assistant

Humane Society

Mr. Fred Swift stated the commissioners met with humane society representatives about three weeks ago. It was left open ended in that the humane society and spay-neuter people were to talk with each other and then report back to the commissioners when they were ready to meet. The attorneys involved were going to talk with one another to reach consensus on the wording of the contract. Swift stated he has not heard from anybody. Holt asked Swift to set a meeting.

Cicero Fire Department Donation

Swift stated the Cicero Fire Department has a piece of the New York Twin Towers rubble and would like to donate it to the county to be used in some kind of a memorial. It is over 2' long, 13" wide and weighs 300 lbs. Swift stated he has spoken with Al Patterson and he thought it would be a good idea to use it in one of the parks. Altman motioned to approve the acceptance of the donation with appropriate plaque recognition. Holt seconded. Motion carried unanimously.

Grand Piano Donation

Altman stated Polly Pearce has offered to donate her baby grand piano to the county, but she needs to know by November 18th. Holt asked Swift and Mr. Scott Warner to contact 4-H to see if they want the piano and to call Polly to make sure putting it at the 4-H grounds would meet with her approval.

Carmel Clay Schools Wage Determination Committee Appointment

Swift stated Carmel Clay Schools has requested an appointment to a Common Wage Determination Committee. They recommend Marilyn Greenfield. Altman motioned to approve. Dillinger seconded. Motion carried unanimously.

Haines Criss+Cross Software Agreement

Ms. B.J. Casali requested approval of a Lease Service Agreement with Haines Criss+Cross Agreement for software. This will allow probation, voter registration and the sheriff's department to do reverse look-ups by address to find out who resides in a specific location. Total cost is \$5,613.14 for one year. It includes software and the manuals. This software will allow typing in the address and you can find out who lives at that address. Altman asked if this information can be picked up through the phone company? Altman asked does it include cell phone numbers? Casali stated it does not. This is updated quarterly. Altman motioned to approve and we will look at it again in one year. Holt seconded. Motion carried unanimously.

Baby Grand Piano

Swift stated he contacted Polly Pearce and she will be glad for the piano to go to the 4-H grounds. 4-H has declined the offer, they do not have room to store the piano. Dillinger stated this is a great donation and we should take advantage of it. Mr. Scott Warner stated he spoke with Lisa Hanni and there is no where to store the piano. Warner stated we are currently trying to reduce some of the items we have. Dillinger suggested getting rid of one of the upright pianos. It makes no sense why they would not want this piano. Dillinger stated he believes we should take the piano out there. Ms. Ginny Hughes stated one of the upright pianos is co-owned by the Silver Notes Extension Choir and

HAMILTON COUNTY BOARD OF COMMISSIONERS
NOVEMBER 8, 2004

4-H. It is in the OV Winks building and was bought about 6 months ago. Altman motioned to accept the donation and arrange to have it relocated to the fairgrounds. Dillinger seconded. Holt stated 4-H manages the facility and if they say they don't have a need or want it, getting someone else's donation placed in your facility, he understands it is a county facility, from a public relations standpoint he thinks it is a mistake to take what they don't want to receive and say here it is. Altman stated that was one individual with a prompt response. Holt made a friendly amendment that we approve it if the 4-H Buildings and Grounds Committee accepts the donation tonight. Amendment fails due to lack of a 2nd. Dillinger and Altman approved. Holt opposed. Motion carries. Dillinger asked Warner to arrange to have the piano moved.

Stormwater Phase II Memorandum of Understanding:

Mr. Kent Ward presented a Memorandum of Understanding between Hamilton County, Arcadia, Westfield and the Noblesville for education of Stormwater Phase II. All the entities believe it is best to share costs of the brochures, pamphlets, etc. It is a not to exceed amount of \$48,912.00 for 2005. Holt motioned to approve. Altman seconded. Altman asked if this is for education? Ward stated yes. Altman stated Solid Waste has funded \$40,000, is that included in the overall contribution? Ward stated that is part of the \$48,000. Altman stated she understands that concept but that is a county wide tax, shouldn't it go against towards the \$125,000 and reduce everyone's share and reduce everyone's share? Ward stated they can do that. Altman stated that would be more equitable. Altman asked if the \$125,000 was appropriated by county council? Ward stated no, that would come from the Stormwater Phase II Funds which was appropriated. Altman stated that is only a part of, it was not were it was appropriated for reimbursement later? Ward stated correct. Motion carried unanimously.

Woolpert Addendum 3

Ward requested approval of Addendum 3 between Woolpert LLP and Hamilton County for the mapping of the regulated drain easements. Council has appropriated \$60,000 for this. Altman asked if that is straight professional fees, does it include reimbursables? Ward stated it is not to exceed \$60,000 for professional fees and reimbursables. Altman motioned to approve the contract with the understanding the not to exceed includes reimbursable expenses and professional fees. The appropriation is only for \$60,000. Holt seconded. Motion carried unanimously.

Cool Creek Watershed

Ward stated at the October 25, 2004 meeting the commissioners ratified the IDEM Contract for the Little Cicero Creek Watershed but the Cool Creek Watershed was missed. Ward requested ratification of the Cool Creek Watershed. These are for the IDEM grants which will provide funding for the studies of these two streams and will extend the Cool Creek study to meet the IDEM criteria where we can qualify for State funds for projects on Cool Creek. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Bid Award

Gabion Installation

Neal requested the bid for the installation of the Gabion basket for Bridge #242 be awarded to Yardberry Landscape in the amount of \$49,450.00. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Auditor [3:04:49]

VINE Service Agreement

Ms. Robin Mills requested approval of the 2004 Service Agreement Renewal for the Hamilton County VINE Program (Victim Information and Notification Everyday). Holt motioned to approve. Altman seconded. Motion carried unanimously.

Community Development Block Grant

Mills requested approval of the 2004 Community Development Block Grant Agreement in the amount of \$710,000.00. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Acceptance of Bonds/Letters of Credit - Drainage Board

Mills requested acceptance of Bonds and Letters of Credit for the Drainage Board. 1) HCDB-2004-00088 - Bond Safeguard Insurance Company Subdivision Bond No. 5012784 for the legal drain and outfall structure at Conner Crossing of Noblesville, Phase One Entry - \$25,551.00. (Replaces Surety HCDB-2003-00087, Bond No. 5006806 for the Bliss Johnson Drain reconstruction through Conner Crossing of Noblesville. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Release of Bonds/Letters of Credit - Drainage Board

Mills requested the release of Bonds and Letters of Credit for the Drainage Board. 1) HCDB-2003-00087 - Bond Safeguard Insurance Company Subdivision Bond No. 5006806 for the reconstruction of the Bliss-Johnson Drain through the Conner Crossing of Noblesville development - \$291,621.00. (Surety being replaced by HCDB-2004-00088 Bond No. 5012784 in the amount of \$25,551.00 for the construction of legal drain and outfall structure.). Holt motioned to approve. Altman seconded. Motion carried unanimously.

Payroll Claims

Mills requested approval of the Payroll Claims for the period of October 11-24, 2004 paid on November 5, 2004. Altman motioned to approve. Holt seconded. Motion carried unanimously.

Vendor Claims

Mills requested approval of the Vendor Claims to be paid November 9, 2004. Holt motioned to approve. Altman seconded. Motion carried unanimously.

Liability Trust Claim

Mills requested approval of a Liability Trust Claim payable to Integrator.com Division in the amount of \$1,603.00 for lighting damage to a radio tower. Altman motioned to approve. Holt seconded.

Holt motioned to adjourn. Altman seconded. Motion carried unanimously.
